Notice: Tokyo Head Office to be Relocated

Tanabe Pharma Corporation (Head Office: Chuo-ku, Osaka; Representative Director, CEO: Akihisa Harada; hereinafter, “Tanabe Pharma”) has resolved to move both its Tokyo Head Office (in the Palace Building) and Iidabashi Office (in the Iidabashi First Tower) to “BLUE FRONT SHIBAURA TOWER S” by December 2026 (scheduled).

The new office will be a “simple and highly productive workplace” that can flexibly adjust to changing work styles. The space is designed so that each employee can proactively select a work area suited to their tasks, while also encouraging communication and chance interactions that deepen engagement and drive innovation.

Guided by the mission of “Creating hope for all facing illness,” we aim for everyone at Tanabe Pharma to take initiative in innovation, and for the entire organization to join together to accelerate our efforts.

- Location of the New Tokyo Head Office
20th floor, BLUE FRONT SHIBAURA TOWER S, 1-1-1 Shibaura, Minato City, Tokyo

Exterior view of the **BLUE FRONT SHIBAURA TOWER S**

Overview of the 28th-floor shared spaces at **BLUE FRONT SHIBAURA TOWER S**

<Provides over 10,000 m² of shared space, include work areas and meeting rooms accessible to tenants, supporting a wide range of work styles alongside private office areas>

<Earthquake-resistant construction in line with Business Continuity Plan (BCP) requirements (seismic isolation × vibration control × spread foundation), flood-mitigation measures (essential electrical equipment placed on the 4th floor or higher), and an emergency power-supply system>

■ Relocation date

December 2026 (planned)

■ Features of the new office

- Work areas: A variety of workstations and communication spaces enable employees to proactively select the most suitable workspace for each task to maximize productivity

Design of Tokyo Head Office (Image)

- Collaboration Café area: Offers a relaxed setting that promotes active communication and spontaneous interactions among employees, helping cultivate innovation, engagement, and the positive value of being in the office

Design of Tokyo Head Office (Image)

<Collaboration area>

A versatile area where tables and chairs with casters can be rearranged as needed, which is great for small meetings, presentations, and events, etc.

<Café area>

A space which is designed to spark communication while providing open, expansive views, featuring sofas, high tables, and a variety of other seating options
